## Digital HR

Course code: HR207 From: 23-12-2024 Venue: London - Premier inn Victoria Course Fees: 4445 £

### Introduction

Digital HR refers to the integration of digital technologies into the HR function to enhance efficiency, improve decision-making, and drive employee engagement. In today's rapidly evolving workplace, HR professionals must embrace digital tools and strategies to stay competitive and meet the evolving needs of the workforce.

### Course Objectives of Digital HR

By the end of this training course, delegates will be qualified to

- Equip HR professionals with the knowledge and skills to leverage digital technologies for HR functions.
- Understand the latest trends and best practices in digital HR.
- Enhance HR's ability to support organizational goals through data-driven decision-making.
- Foster a culture of continuous learning and adaptability within the HR team.

### Course Methodology of Digital HR

This training program will utilize a combination of methodologies, including:

- Interactive workshops and group discussions.
- Case studies and real-world examples.
- Hands-on practice with digital HR tools and software.
- Group projects to apply knowledge to real HR challenges.

### Organizational Impact of Digital HR

- Improved HR processes and efficiency.
- Enhanced data-driven decision-making leading to better workforce management.
- Increased employee engagement and satisfaction.
- Better alignment of HR practices with overall organizational goals.
- Reduced HR costs through automation and streamlined processes.

### Personal Impact of Digital HR

This training course teaches the competencies that enable delegates to:

- Enhanced digital skills for HR professionals.
- Increased career opportunities and competitiveness.
- Improved ability to contribute strategically to the organization.
- Confidence in using digital HR tools.
- A commitment to ongoing learning and professional development.

## Who Should Attend

This program is designed for HR professionals at all levels, including:

- HR Managers and Directors.
- Talent Acquisition Specialists.
- HR Business Partners.
- Compensation and Benefits Analysts.
- HRIS (Human Resources Information Systems) Administrators.
- Recent HR graduates looking to build digital skills.
