The Strategic Public Manager

Course code: PM171 From: 06-10-2024 Venue: Istanbul - Radisson Blu Hotel, Istanbul Sisli Course Fees: 4445 £

Introduction

Managers in the public sector face increasing demand, competing priorities, and increasing pressure from limited resources. Ministers and the general public are demanding higher-quality services than ever before, but budgets remain constrained. Managers in the public sector must do more with the same or fewer resources. At the same time, parliamentarians, citizens, civil society, and journalists are increasingly scrutinizing them.

In addition to technical expertise, public managers must learn financial management, team development, personal interaction, and communication with various stakeholders.

Strategic Public Managers is a strategy and tool for strengthening public sector managers' skills and enabling them to take a strategic approach to address today's government problems.

This training course will highlight:

- Ethics and values of public sector management
- Developing core management skills
- Building high performing teams
- Using budgets effectively
- Crisis management
- Effective communications

Course Objectives of Strategic Public Manager

By the end of this training course, participants will learn:

- Global trends and developments in public sector management
- How to ensure high ethical standards are maintained
- How to develop high-performing teams
- Effective strategies and tools for managing budgets and addressing priorities
- How to manage change
- How to manage crises
- Effective communication skills

Course Methodology of Strategic Public Manager
