Mastering Corporate Communications

Course code: PR120 From: 22-12-2024 Venue: Cairo - InterContinental Cairo Semiramis Course Fees: 2750 £

Introduction

This Mastering Corporate Communications training course is designed to help Communications, Public Relations, and Marketing professionals audit their current practices and measure their effectiveness in a changing market. Communications/PR and marketing have converged since the Clue train Manifesto predicted changes in the way markets and consumers would behave. Many new channels and tools have surpassed much of the mass media that we want to influence, but many organizations' approaches have remained unchanged. This training course will assist practitioners in rethinking their approach to PR, Corporate Communications, and Marketing. The toolkit of skills learned during the course will help participants meet and exceed corporate objectives.

This training course will highlight:

- The New Rules of selling and Communications
- The changing roles of communications and marketing professionals
- The Use of social media to succeed in Specific Target Audiences
- How to make Content that engages attention and makes readers return
- The increasing use of video and audio and ways to supply low-cost content
