Governance, Risk & Compliance

Course code: AG9 From: 07-10-2024 Venue: Kuala Lumpur - Course Fees: 4750 £

Introduction

One of the ways that we can combat Fraud within our business is by the strong use of Internal Control. In this section, we will look at how Internal Control of people, processes, and technologies must all play a role in the fight against fraud.

This Internal Control and Fraud Prevention training seminar highlights the challenges that every business and individual faces in ensuring safe Internal Controls. Looking at all areas that can be affected by Fraud, it will highlight the risks now faced by the world of business and methods to protect us against them.

This is a challenging and extremely practical training course that creates enormous benefits for your company and is a crucial component of developing ethical experience, setting reasonable standards of behavior, and risk mitigation. The risk is not something that should be avoided. Rather, it is an opportunity for an organizational shift, creating new competitive advantages, addressing threats to an organization, and incorporating it into imperative planning.

This is an intensive and deeply practical training course that will provide officials at all levels with skills in risk management, creating a compliance culture, and strengthening relationships with key stakeholders.
