Mastering Social Media Sales & Marketing

Course code: PR129 From: 30-09-2024 Venue: London - Premier inn Victoria Course Fees: 4750 £

Introduction

This training course will give delegates the practical knowledge they need to plan, implement, manage, and measure social media sales and marketing efforts. Magazines, internet forums, web blogs, social blogs, micro blogging, wikis, podcasts, pictures, and YouTube videos are all examples of social media technologies in action. Facebook has approximately 100 million mobile users, and Twitter processes over 40 million tweets per day. It is critical to recognize that social media marketing works best when combined with other aspects of your marketing strategy.

This highly interactive Mastering Sales & Marketing in the Age of Social Media training course has been specifically designed to provide sales and marketing professionals with the tools, tactics, and techniques they need to avoid pitfalls and capitalize on the incredible marketing opportunities associated with effective social media use.

Delegates will leave with practical knowledge of how to use social media platforms to create strong online brand identities, improve sales effectiveness, and enable better customer loyalty and retention.

This training course will highlight:

- Design a comprehensive social media sales and marketing plan
- Integrate social media tools with traditional marketing activities to enhance customer service and increase business development opportunities
- Demonstrate familiarity with the range and sort of social media platforms and tools
- Understand the way to monitor and measure the effectiveness and ROI of a social media marketing plan
- Monitor social media to guard brand reputation and build customer relationships
- Develop persuasion and communications skills to reinforce sales effectiveness

Course Objectives of Mastering Social Media Sales & Marketing
