Customer-Focused Business Strategies

Course code: MS106 From: 24-11-2024 Venue: Cairo - InterContinental Cairo Semiramis Course Fees: 2750 £

Introduction

Today's rapidly advancing technologies and competitive environment are transforming the business landscape in such a way that traditional sales and marketing methods must be reconsidered. Developing strong customer-focused relationships is critical for promoting long-term revenue growth in a difficult and competitive market. Unfortunately, valuable prospects are contacted by salespeople who are unable to present themselves, their products, or their organization professionally.

The goal of this interactive Customer-Focused Selling Strategies training seminar is to provide delegates with the communication skills, persuasion strategies, and negotiation techniques they need to overcome objections, close sales, and improve customer service. This course's emphasis will assist delegates in developing the skills and confidence required to increase sales effectiveness and promote new business opportunities. A well-trained and highly motivated sales team is indispensable!

This course will highlight:

- Employ effective questioning and listening techniques to uncover customer needs and expectations
- Incorporate nonverbal communication strategies to reinforce presentation skills
- Utilize time-proven negotiation techniques and persuasion skills
- Address and resolve customer objections and shut the sale
- Develop prospecting skills to focus on new business opportunities

Course Objectives of Customer-Focused Business Strategies

By the top of this course, delegates are going to be able to:

- Create an action plan and prioritize to maximize selling effectiveness
- Use a customer-focused selling approach to shut more sales in less time
- Customize your sales presentation to appeal to every one of the four customers □buying styles□
- Incorporate Social Media marketing best practices to extend sales revenue
- Proactively manage key-account customers to market additional sales
- Effectively organize their schedule to realize sales goals and build a pipeline

Course Methodology of Customer-Focused Business Strategies

This course encourages delegate participation through a mixture of lectures, conferences, practical exercises, case studies, video clips, and breakout sessions designed to strengthen new skills.
