## Advanced Bid Evaluation & Tendering Procedures

Course code: PS181 From: 02-12-2024 Venue: London - Premier inn Victoria Course Fees: 4750 £

### Introduction

This Advanced Bid Evaluation & Tendering Procedures training course looks at all of the factors that influence and are affected by the bidding process and bid evaluation. Understanding business requirements, market analysis, supply chain cost modeling, contract strategy, and contract-to-contract initiation are all important factors. Learn how to classify third-party products and services in your organization based on the delivery risk of their output values. The methodologies listed below can assist you in assigning the most appropriate market approach to a specific category or subcategory. All of this results in the best bidding process and bid evaluation. When should I play it safe by bidding only on experienced and proven providers? When and how should you look for a new supplier? What is the procedure for selecting the best supplier?

### This training course will highlight:

- Determining the right market strategy
- Developing the best-fit contracting methods
- Planning and managing a tender procedure
- How to optimize the interchange between Requesting Departments and Procurement groups?
- How to prepare for and conduct professional negotiations with suppliers?

### Course Objectives of Advanced Bid Evaluation & Tendering Procedures

#### By the end of this training course, the participants will be able to:

- Categorize 3rd party goods and services established on supply risk and value of spend
- Decide the procurement strategy choices available for a given opportunity
- Plan and manage a competitive tender process from A to Z
- Determine, evaluate, and construct proposals on how to manage procurement risks
- Create an appropriate evaluation methodology to judge bids and tenders
- Estimate vendor proposals from a technical and commercial perspective
- Organize for and conduct professional negotiation with suppliers
- Handle the outcomes from a competitive bid process
