Leading for Impact: Advanced Leadership Skills for Creating Positive Change

Course code: ML202 From: 10-02-2025 Venue: London - Premier inn Victoria Course Fees: 7600 £

Introduction

Leadership is a critical skill for individuals at all levels of an organization. However, as individuals progress in their careers and assume greater responsibilities, their leadership skills must evolve as well. Advanced leadership requires a deep understanding of one's own leadership style, as well as an ability to adapt to the needs of the organization and the team. Effective advanced leaders are skilled at leading change, inspiring and motivating others, and developing talent.

Course Objectives of Advanced Leadership

By the end of this training program, participants will be able to:

- Understand the role and importance of advanced leadership in achieving organizational success
- Analyze their own leadership style and strengths and weaknesses
- Develop strategies for leading change and managing resistance
- Inspire and motivate others to achieve their full potential
- Develop and manage high-performing teams
- Build a culture of continuous learning and development

Organizational Impact of Advanced Leadership

This training program will enable organizations to:

- Develop a pipeline of advanced leaders who can drive the organization's strategic goals
- Enhance their ability to respond to changing market conditions and emerging opportunities
- Increase their capacity to attract, retain, and develop top talent
- Build a culture of innovation and continuous improvement
- Improve their overall performance and competitiveness

Personal Impact of Advanced Leadership

Participants will benefit from this training program by:

- Enhancing their leadership skills and knowledge

- Developing a deeper understanding of their own leadership style and strengths and weaknesses
- Building their capacity to lead change and manage resistance
- Improving their ability to inspire and motivate others
- Advancing their career prospects and professional development opportunities

Who Should Attend

This training program is designed for:

- Senior executives and leaders responsible for driving organizational strategy and results
- Mid-level managers and supervisors seeking to develop advanced leadership skills
- High-potential individuals identified for leadership roles in the organization
- Human resource professionals responsible for talent development and management
- Individuals interested in advancing their leadership skills and knowledge
