## The Leadership throughout Self-Mastery

Course code: ML204 From: 01-09-2025 Venue: London - Premier inn Victoria Course Fees: 7600 £

### Introduction

Self-mastery does not happen by chance; it is a process that occurs when we communicate effectively with the events and circumstances in our lives. Every moment of our lives provides an opportunity to practice self-mastery by expanding our visions, awakening our minds and hearts, and accepting full responsibility for living, growing, and contributing.

We can improve our experience of leading others by mastering our own emotions, and acting as role models and someone others would truly want to follow.

This course will teach you a lot about yourself, including how you think, how you perceive the world and how others perceive you, how you communicate and how you can improve your communication skills - and through that process, you will learn how to lead others with great skill.

### In this course, we will cover:

- How to take charge of your Brain
- The Importance of a Powerful Vision coupled with Personal Integrity
- The Development of Communication Skills
- The Advancement of Leadership Capability
- The Improvement of Influencing Abilities

### Course Objectives of Leadership throughout Self-Mastery

- Study Effective Management of our thoughts, beliefs, focus, and action
- Understand the impact of our values on our actions
- Consider how to build confidence, enthusiasm, and courage
- Explore methods of improving communication

- Examine how to enhance personal leadership skills
- Analyze the public face of the leader

## Course Methodology of Leadership throughout Self-Mastery

This course consists of five modules containing lecture content, skill assessments, participative discussions, video presentations, and delegate exercises in order to create high-impact training.

This course is designed to be dynamic and highly interactive as well as educational. The primary focus is to provide delegates with concepts and methods which they can put to immediate use in the workplace.

## Organizational Impact of Leadership throughout Self-Mastery

- More effective employees
- Strengthened employee focus on goal achievement
- Improved organizational communications
- Enhanced employee leadership skills
- Increased levels of motivation
- Higher levels of productivity

## Personal Impact of Leadership throughout Self-Mastery

- A sharper focus on valuable goals
- Greater self-understanding
- Increased ability to achieve success
- Improved communication skills
- Enhanced leadership skills

- Greater levels of personal productivity

## Target Audience of Leadership, Communications & Interpersonal Skills

This training course is suitable for a wide range of professionals but will greatly benefit:

- Management Professionals
- Team Leaders - prospective, new, or experienced
- Supervisors
