Event Management & Protocol

Course code: PR126 From: 14-04-2025 Venue: - Course Fees: £

Introduction

This Protocol & Event Management training seminar is a must for anyone looking to incorporate events into their PR and marketing efforts. Face-to-face communication opportunities created by events provide business people with the most powerful means of influencing their colleagues, clients, and investors. Smooth, well-managed events reflect well on any company working to build its reputation and standing.

This training seminar provides a thorough grounding in the fundamentals of event management, allowing attendees to effectively organize their own events or more closely manage contractors who organize events on their behalf.

Key highlights of this training seminar are:

- What events can do for your PR and marketing strategy?
- Scheduling techniques to plan and deliver an occasion
- Practical hints and recommendations on venue choice, stage management, and differing types of dining
- Managing the media at your events to multiply outcomes
- Advice on taking care of guests and protocol for VIPs

Course Objectives of Event Management & Protocol

At the top of this training seminar, delegates will have an understanding of the appliance of events as a part of their PR or Marketing strategy:

- Delegates are going to be ready to schedule and plan an occasion
- Delegates are going to be conversant in a variety of events they're likely to interact in and therefore the requirements for his or her successful delivery
- Delegates are going to be ready to identify the foremost appropriate venues and activities for events
- Delegates are going to be ready to manage the media at their events confidently
- Delegates are going to be ready to troubleshoot event plans to spot potential problem areas before they emerge

Course Methodology of Event Management & Protocol

This Protocol & Event Management training is going to be delivered through a mixture of presentations, conferences, and group exercises. Delegates are going to be encouraged to ask questions because the training seminar progresses relevant to their own backgrounds and company requirements.

This training seminar will culminate during a group exercise during which delegates will have a chance to use what has been discussed over the previous five days.

Organizational Impact of Event Management & Protocol

Greater value for money from events

- More focused events as a part of their PR or Marketing strategy which can build and maintain their reputation
