Sales Professional Training

Course code: MS115 From: 28-07-2025 Venue: - Course Fees: £

Introduction

Companies of all sizes rely on skilled, motivated, and knowledgeable salespeople to expand their customer base and increase revenue. This course is designed to provide delegates with the knowledge and confidence needed to overcome objections, close more sales, and generate new business opportunities. Face-to-face communication skills, persuasion techniques, and sales negotiation strategies are all emphasized.

Delegates will learn how to use interpersonal skills to quickly build trust and rapport with their customers and prospects during this advanced sales course. Delegates will also learn how to effectively identify and develop key account customers using professional sales best practices.

This course will highlight:

- ▣ Plan, manage, and control the sales process to extend sales effectiveness
- ▣ Diagnose and resolve problems that make obstacles to new business opportunities
- ▣ Successfully resolve customer objections and shut the sale
- ▣ Utilize time-proven sales negotiation techniques and persuasion skills
- ▣ Maximize social media selling strategies to extend revenue

Course Objectives of Sales Professional Training

By the top of this course, delegates are going to be able to:

- ▣ Describe effective strategies for developing new business opportunities
- ▣ Incorporate social media marketing best practices to extend sales
- ▣ Utilize visual communication to create trust and rapport face-to-face or over the phone
- ▣ Design a multimedia sales presentation
- ▣ Overcome customer sales objections and shut the sale
- ▣ Customize a sales presentation to appeal to the four customers "buying styles"

Course Methodology of Sales Professional Training

This course encourages delegate participation through a mixture of lectures, conferences, practical exercises, case studies, video clips, and breakout sessions designed to strengthen new skills.

Organizational Impact of Sales Professional Training

- ▣ Increased Sales Revenue Growth
- ▣ Greater penetration and Brand Awareness
- ▣ Foster a Company-wide Sales Culture
- ▣ Improved Customer Service
- ▣ Increased Sales Team Morale
- ▣ Lower sales department Turnover

Personal Impact of Sales Professional Training

- ▣ Greater Job Satisfaction
- ▣ Enhanced Communication and Negotiation Skills
- ▣ Improved Job Performance
- ▣ Opportunity for Career Advancement
- ▣ Improved Time Management Skills
- ▣ Increased Income Potential

Target Audience of Sales Professional Training

This course is for anyone who desires to expand their expertise in sales best practices and procedures. Delegates don't require any previous sales experience to profit from this training.

This course is suitable for a good range of sales professionals, but will greatly benefit:

- ▣ Corporate Sales Trainers
- ▣ Sales Territory Account Representatives
