Mastering People Management & Team Leadership

Course code: ML206 From: 02-12-2024 Venue: London - Premier inn Victoria Course Fees: 7110 £

Introduction

This course enables experienced managers to 'master' people management and to believe that team leadership can be taught and has a tangible impact on the manager, the team, and the organization. An important distinction to recognize is the distinction between leadership and management.

But what exactly makes a leader credible? Why and how do followers become inspired? The ability to 'influence' others is part of the solution - organizations benefit more from motivated teams than from groups of individuals. Leadership is what makes this happen; it is a skill that entails understanding several core management concepts and then putting them into practice.

This course provides experienced managers with the leadership skills they need to thrive in any situation.

This course will focus on:

- How to be more effective, increase personal impact, make better use of time, and delegate appropriately
- Appreciate the benefits of clear communication, influence through building rapport, how to recognize and then manage conflict
- Key factors and steps in team building, people management, and how to motivate
- Mastering people management & team leadership through dynamic coaching, mentoring, and development
- Understanding and defining the key aspects and potential of your role

Course Objectives of Mastering People Management & Team Leadership

This course will introduce the fundamental principles of how to effectively manage people and lead teams and show participants how to share this knowledge through active coaching and mentoring.

At the end of this course, you will get to:

- Understand your role as manager and leader
- Establish clear objectives and standards of performance for your teams
- Manage your workload using effective prioritization and delegation techniques
- Maximize your influencing skills through skilled communication
- Build an effective team and exceed expectations

Course Methodology of Mastering People Management & Team Leadership

This course utilizes a range

mini-case studies, role plays, and syndicate discussions. Formal inputs are used to introduce underpinning theory. A key part of the learning process is sharing the differing experiences participants bring, as well as experimenting with the novel and sometimes challenging techniques.

Organizational Impact of Mastering People Management & Team Leadership

Participants who have shared and practiced different ways of performing the key leadership functions offer:

- Increased self-awareness, flexibility, and confidence.
- Motivated to deal with operational tasks
- Better able to stand back from the everyday detail
- Capable of focusing on the longer-term organizational needs
- Secure in the knowledge that their team are truly capable, or able to identify why not

Personal Impact of Mastering People Management & Team Leadership

Participants will be exposed to and gain:

- Increasing career flexibility: managers with these skills are in short supply
- A range of different approaches to leadership and management practice
- The ability to select leadership and management approaches most suitable for their situation and personal style
- Confidence through the opportunity to experiment with key techniques before applying them in the workplace
- The self-assurance to move beyond traditional assumptions about the "right way to manage"

Target Audience of Mastering People Management & Team Leadership

This course facilitates the transfer of knowledge regards how to manage and lead. It combines technical theory "book smarts" with real-life experience "street smarts". It applies to all levels and functions within a company.

This course is fit for a wide range of professionals but will greatly benefit:

- Those who need to develop their understanding of leadership, management, and communication
- Those who are looking for business gains and benefits from managing their teams more effectively
- Leaders and managers responsible for working through others to achieve company goals
