Training of Trainer

Course code: HR68 From: 03-11-2024 Venue: Hurghada (Eygpt) - Course Fees: 3400 £

Introduction

This course will present the latest scientific innovations in workplace training, learning, and development. This is a very rewarding and useful course. You will learn about adult learning, course design, and delivery, as well as world-wide best practices used by leading learning organizations.

The highly experienced course leader will lead from the front, demonstrating and allowing delegates to practice the techniques taught.

Coaching will be provided to you as an aid to development and as a tool, you can transfer to your work.

- A focus on adult learning principles
- The latest techniques and strategies for effective workplace learning
- Understand the advantages and disadvantages of learning styles
- Practical steps in developing a powerful presentation
- Using motivational coaching techniques

Course Objectives of Training of Trainer

By the end of this course, participants will be able to:

- Describe the training cycle and its application to training (knowledge)
- Evaluate the training techniques used (evaluation)
- Discuss andragogy concerning adult learning (comprehension)
- Differentiate between the key methods of evaluating training (analysis)
- Formulate a plan for effective motivational coaching (application)
- Design a training outline utilizing Bloom's taxonomy (synthesis)

Course Methodology of Training of Trainer

This course will use a variety of proven adult learning techniques to ensure maximum understanding, comprehension, and retention of the information presented. This includes stimulating presentations supporting each of the topics together with interactive trainer lead sessions of discussion.

There will also be many practical sessions where participants can practice and experience course-related activities.

Practical and fun exercises, short video presentations, small group work, case studies, feedback, and coaching will be used to facilitate learning.

Organizational Impact of Training of Trainer

By attending this impressive training course you will be investing in your future, the future of your Department, and the future of your organization by:

- Add value to your organization
- A workforce where people are exposed to effective training and development
- Training that is evaluated to demonstrate cost-effectiveness
