Government Strategic Leadership Program

Course code: PM169 From: 29-12-2024 Venue: Online - Course Fees: 1250 £

Introduction

The challenges and pressures that governments face is increasing. The complexity of issues is increasing, while budgets and resources available to manage these issues are limited, and citizens' expectations are rising. Citizens, legislators, NGOs, journalists, and other stakeholders now have more information and tools to make their voices heard, such as social media. Developing and implementing influential policies, managing change, dealing with crises, and engaging with a diverse range of stakeholders are essential skills for all levels of government officials, whether appointed or elected. This Government Strategic Leadership Program training course will provide strategies and tools to improve government officials' leadership performance and enable them to take a strategic approach to managing government issues.

This training course will highlight:

- Ethics and values of good government
- Building a high-performance culture
- Effective policy outcomes
- Managing change
- Crisis management
- Stakeholder engagement

Course Objectives of Government Strategic Leadership Program

By the end of this training course on Strategic Leadership in Government, participants will learn:

- Recent global trends and developments in government leadership
- How to ensure high ethical standards are maintained
- How to develop an effective organizational culture
